AQUAPURE™ P 601
2601021

Industrial Wastewater Treatment

|

If inhaled: Remove person to fresh air and keep comfortable for breathing. Get medical attention.

If on skin: Wash with plenty of water.

Immediately flush with plenty of water for at least 15 minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. Call a physician or poison control center immediately.

No hazards which require special first aid measures.

May cause irritation and inflammation in nose, throat and lungs.

Severe eye and or skin irritation or burns.

Prolonged exposure may cause skin irritation.

Low toxicity if swallowed. Small amounts swallowed incidentally as a result of normal handling operations are not likely to cause injury, however, swallowing larger amounts may cause injury. Swallowing may result in burns of the mouth and throat.

Will not burn or support combustion. Use extinguishing media appropriate for surrounding fire, such as water spray, dry chemical, foam or carbon dioxide.

N/A

Wear chemical resistant protective equipment and self contained breathing apparatus (SCBA).

Prevent spilled product from drains, sewers, waterways and soil.

Do not store in: Aluminum, carbon steel, copper, copper alloys. Galvanized containers.

Do not allow material to freeze.

Sodium Dithiocarbamate-LD50(Rat)-1000 mg/kg
